

Welcome to Alliance Health Partners and Optima Rehabilitation!

You are scheduled with Scott Rosenquist, MS, DC on _____ at _____.
 Chad Abercrombie, DC
 Ashlee Nelson, MAPT

Enclosed is your initial patient paperwork. Please fill it out as completely as you can and sign by the X's. If you cannot finish your paperwork, please arrive **at least 15 – 30 minutes** prior to your scheduled appointment time to complete it before seeing the doctor or physical therapist. If you have any questions prior to your appointment regarding your new patient paperwork, please feel free to call us. If possible, you should call your insurance carrier, prior to your scheduled appointment, to verify you have chiropractic and/or physical therapy benefits. This will prevent you from acquiring any unnecessary charges. It is very important to obtain and supply us with as much insurance information as you can. We cannot process your claims without it. **Please bring with you to the appointment:**

Your Driver's License or Identification Card
Insurance Card of the Health Insurance your claims will be sent to
Insurance Card of the Auto Insurance your claims will be sent to (if applicable)
We MUST have a copy of these cards in your file.

In addition, please have the following information with you at your initial appointment, or indicate it on your new patient paperwork:

Health and/or Auto Insurance Carrier's Name, Address, Phone Number, and Policy and/or Claim Number
Name and Social Security Number of Insured
Attorney's Name, Address, and Phone Number (if applicable)

As we only have a limited number of appointments available, **attending your initial evaluation at the scheduled day and time above is extremely important.** With your initial evaluation, the doctor and/or physical therapist will establish an appropriate plan of care, including the initial frequency and duration of your treatment. If we determine that you are a candidate for our care, it may take at least 4 – 12 visits to properly stabilize your condition. Please be prepared to schedule these appointments at the end of your initial evaluation. The most important factor in your treatment is consistency, thus missed, late, or cancelled appointments are rarely tolerated.

We are located East of Memorial Park, at the corner of Parkside Drive and International Circle in the Printers Park Medical Complex.

Thank you for your attention to this important matter. We look forward to meeting you and participating in your health care. If you should have any questions, please call us at (719) 632-4754 or (719) 471-4221.
